

Personal data policy

Parkeringservice Svenska AB ("P-service") might through the website, www.pservice.se ("The website"), collect personal data from its visitors

P-service have developed this Personal data policy in order to provide its visitors with a clear picture how P-service collects and processes personal data submitted via The website. This policy explains how and why such personal data is collected.

By submitting data to P-service via The website, the visitor agrees that P-service collects and process personal data as stated in this policy

The Swedish personal data act

In the applicable "Data protection legislation", which until 25 May 2018 means the Swedish Personal Data Act (1998:204) (Swe: Personuppgiftslagen, usually referred to as "PUL") and thereafter the EU General Data Protection Regulation (2016/679) (usually referred to as GDPR), which replaces PUL, uses the following terms, the meaning and application of which are also applicable to this personal data policy.

Personal data: Any information relating to an identified or identifiable living natural person, for example name, personal identification number, address, telephone number, competencies etc.

Processing of personal data: All operations or sets of operations which is performed on personal data, such as collection, recording, organisation, structuring, storage, use, disclosure, alteration and retrieval.

Personal data controller: The one who alone or jointly with others determines the purposes and means of the processing of personal data.

Personal data processor: The one who processes personal data on behalf of the personal data controller.

Our processing of personal data

E-mail that is sent to P-service using a formula on The website might contain personal data falling under PULs legislation.

When the visitor is submitting personal data, the visitor agrees to that P-service saves any eventual personal data. The data is saved only for handling cases that the visitor has open with P-service.

Personal data which P-service collects and saves are

Name
E-mailaddress
Registration number
Telephone, if applicable.

If the visitor provides P-service with other data, including sensitive personal data such as health and medical information, P-service will consider that the visitor also consented to the registration of these personal data as described above

In accordance with applicable Data Protection Legislation, you are entitled, at any time, to request access to the personal data which is processed about you. You are also entitled to request to have your inaccurate personal data corrected, to have us ceasing the processing and delete your personal data, to limit the processing of your personal data, to exercise your right to data portability (i.e. the right to transfer your personal data), and to object to the processing of your personal data. Some of the rights described above only apply after 25 May 2018 when the GDPR enters into force.

A request to exercise any of the rights listed above shall be made to P-service. The request must be made in writing and signed by you as the applicant and be sent to the postal address provided at the end of this personal data policy

Other

P-service reserve the right to change this personal data policy, the most current version of this policy is placed on The website. We recommend that you regularly visit our website to review any potential updates.
